LULU'S BACK IN TOWN

Spread the news all around, Lulu's back in town!
Guy's'll straighten up their ties,
I'm the one they idolize!

Better get your old tuxedo pressed,
Better sew that button on your vest
'cause tonight you've got to look your best,
Lulu's back in town, in town

Gotta get a half a buck somewhere,
Gotta shine your shoes, slick your hair,
Gotta get ze self se boutoniere,
Lulu's back in town

You can tell all your pets,
All your blonds and brunettes, you bet,
That this redhead regrets that they're not
Needed round, not around, my honey

You can tell the mailman not to call
'cause you aint a-comin' home 'til the fall
and you might not get back home at all,
Lulu's back in town.

Every time I hit the town, fella's all seem to gather round
Always happens, yes, it's true
What's a gal to do, yeah
Tell 'em all get ready to play,
Jazz hazz the day and night away

See that line up, the guys all sign up,
Lulu's back in town
YEAH, I'm back in town!
You can tell the mailman not to call,
Cause you ain't a-coming home till the fall
And you might not get back home at all,
Lulu's back in town, I'm back in Town,
Lulu's back in town, back in town
