Hello Region 2!!!

We have some exciting news to share in that we have started a committee requested by the RMT and the Convention Committee to bring back our Webcast for Contest in 2020. With that being said, we have some fundraising to do and need your help.

Our goal is to raise \$6,000 by 12/1/19 in order to self-fund the webcast for 2020 and have seed money for the 2021 webcast. To help with our efforts please see the attached sponsorship form to submit individuals and businesses who are willing to help sponsor our webcast for 2020, and hopefully on an annual basis. As we do not want this fundraising effort to be a hardship on any of our choruses we hope that each chapter could secure at least one sponsor for the regional webcast. We are hoping each chorus would find an outside sponsor or a retired member who would be able to help with this fundraiser. Of course any Chapter sponsorships will be appreciated but are not expected. Along with the sponsorships we will still be accepting donations online and in person during the webcast at contest weekend.

Please feel free to contact me with any questions or feedback. We have about 3 months to secure enough funding to bring back our webcast; that will give our members an opportunity and members of other regions as well as our family and friends who are unable to attend contest, to see how amazing Region 2 is! The deadline to turn in your sponsor forms is November 15, 2019, so please do not wait.

A special Thank You to Lisa Gilkey who helped create the Sponsorship form and is assisting me on this committee.

I look forward to seeing all of you at Fall Regional and I know we can get this done with a collaborative effort.

In Harmony & Friendship,

Andrea Strutz, Webcast Chair & Member of Motor City Blend Chorus
